

### Coffee floor display

BAC-display customized the Coffee floor display for the domestic client. It can be your promotion tools too, we are in Foshan Guangdong , China. It is near the port of Shenzhen, with competitive prices and reliable delivery services, we are expecting become your long-term partner in China. We sales our products many countries with the good quality and services. We will reply you as soon as possible after you send me the request.

This Coffee floor display is display in the convenience store or supermarkets to showing the coffee products like Coffee in cans, cartons or bags. It is a small square display, not take the big space but just next to the big shelves in the supermarket. We can accept to change sizes of this display rack into your company request. This metal coffee floor display stand use the simple frame, Not big volume would possible to make this display frame in one unit, much easy for the workers display the coffee products. The numbers of the shelves can be changes as you need, not only the sizes. The distance of the shelves can be making by the height of coffee cans. The digital printing logo is important for the display outside. It can used them more than 2 year. You can change the logo board, when you have the news artwork design. The Main parameter information is as followed. Contact me if you have more question.
