

### Lamp floor display

BAC-display is a manufacture of Lamp floor display of China. We are located in Foshan Guangdong, China. we are closed Guangzhou, near the Hongkong. Baiyun International airport is just one hours driving time. We have many clients from different countries like the Canada, Germany, Australia etc. Hope we can be the long-term partner in China. We will reply you as soon as possible to you when you send me the inquiry.

This Lamp floor display is used in the Hardware and Lighting Store for sales your brands lamp products. This display is produced for clients from Holland. We made the parts of the display. But the clients want the finished assemble service. We have done that. The clients want more easy when used them. This lamp floor display has four metal plate bending for shelves . this display the top has the black acrylic boxes. It is the quick lamp base to test the brightness of the lamp. The lamp base is the normal used one like E27, E14 and so on. The more information is as followed. Contact us when you have more questions about the display.
